

invention described in Table 16 for which biological data are supplied, and the actual numbers assigned to each compound. The number appearing after the title in each Example corresponds to the compound number in Table 16. The changes are being made for the purpose of clarity. It is believed that no new matter is being added by way of this Amendment since no attempt has been made to enlarge or change the scope of the invention in any way. A marked-up copy of the pages to be amended is enclosed for the convenience of the Examiner. Entry of the amendment at this time is courteously requested.

Respectfully submitted,

Benjamin F. Lambert
